Faculty-to-Faculty 2025
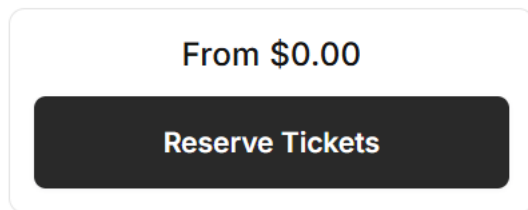

Thank you for participating in UGA's Faculty-to-Faculty program!

You can access the Event portal here: **https://ugaf2f1025.sched.com**, and you will need this password to login: **F2F2025**

After you log into the system, you should be taken to the homepage. From here, you can browse the schedule. Be sure to click on the name of any course you are interested in so that you can read a full class description. Please note you can only register to attend one class.
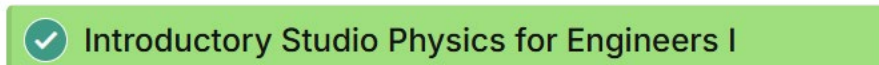

When you are ready to sign up for a class, you will need to reserve a ticket by clicking on the ticket button. There is no cost to obtain a ticket. After reserving your ticket, you will be prompted to log in to the SCHED website and complete a short registration form.

Once you have received a ticket, you can register for your course by clicking on the white circle next to the class name.

If the class is at registration capacity, or if you are trying to select more than one class, you will receive an error message.

Once your course has a green check mark, that is all you need to do to register. There is not a final "submit" button.

If you have questions about the registration process, please contact Kinsey Brooke kbrooke@uga.edu

If you have general questions about the F2F program, please contact Jean Martin-Williams jfmartin@uga.edu
